

The Battle of Prestonpans Tapestry

Official Tour 2013

Discover the story of Bonnie Prince Charlie's famous campaign for Scotland in 1745, told in vivid colour and fascinating detail. Created by over 200 volunteers, this is a must-see for all the family!

Look out for exciting special events accompanying our exhibitions too: from talks and storytelling to living history and battle re-enactments!

Each exhibition also offers you the opportunity to purchase from a wide range of souvenirs and books, or to donate towards the maintenance of the Tapestry and its exciting plans for a permanent home in Prestonpans.
